

## Directions to Berea Friends Meeting 300 Harrison Rd, Berea, KY 40403

Directions to Berea Friends Meeting from the south:

- 1) You will be traveling north on I-75. Take Exit 76 and turn right off the interstate ramp.
- 2) Follow this road, which is Chestnut Street, and also US 25 North. Go 1.4 miles, during which you will encounter 4 stoplights.
- 3) At the fourth stoplight, the name of the street magically turns into Estill Street, confusing Google Maps and your GPS. But you keep going the direction you were going.
- 4) You will encounter the fifth stoplight a couple hundred feet after this, staying on US 25, and where “going straight” means “bearing right”.

- 5) Immediately after passing the fifth light and crossing Main Street, bear right again so that you pass to the right of the Berea College Log House Craft Gallery (pictured below). You are now on Center Street.

6) Go down Center Street. The first stop sign is at Forrest Street. Keep going straight. The second sign you encounter will be a No Outlet/Speed Limit/Children at Play sign (pictured below). Do not go down this street, but bear right and go down a steep hill. You are now on Harrison Road.

7) Harrison Road is a steep hill that levels off and goes over a one lane bridge into a gravel parking lot. Notice a white building with a sign that says "Berea Friends Meeting" (pictured below). You are now at the Berea Friends Meetinghouse.
