

SAYF WORSHIP JOURNAL ZINE

August & September, 2020

As a result of pandemic safety restrictions, all SAYF retreats and events are now being held via internet web conferencing until further notice.

Until our in person activities resume, epistles from the community of all forms are invited and welcomed as Friends feel led.

These can be sent to Autumn Woodward via email at AwesomeSAYFers@gmail.com, or mailed to SAYF Epistles, c/o Autumn Woodward, 269 S Running Creek Cove, Whittier, NC 28789

This is our witness. This is our story.

Virtual SAYFs, even nurturers retreats, are a bittersweet thing for me. I get to connect with people from the community and practice meditation/worship (a lifesaver during quarantine), but not physically be with them. I miss the people piles! I'm glad I got to talk with Oliver and Teo though, and I hope to see more of y'all soon.

We are coming to better understandings of how SAYF can and should function in epidemic time, as well as after we can all get back together again. Thank you, Friends, for helping us forge/follow this path.

Wonderful to experience SAYFness again. I hope to visit again.
