

## SAYF WORSHIP JOURNAL

February 13, 2021

*As a result of pandemic safety restrictions, all SAYF  
retreats and events  
are now being held via internet web conferencing  
until further notice. This retreat happened on Zoom.  
**This is our witness. This is our story.***

I've been thinking a lot recently about the places and people I feel comfortable around, especially as those people and places have become a very necessary rock throughout 2020. The first retreat of the new year reminded me that SAYF has been one of those for quite some time now. I'm so glad I've been able to help maintain this community virtually, as much as I miss everything about seeing our in-person meetings every time I see you on screen.

Love you all, Sadie

I enjoyed listening to everyone's opinion and listening to our speaker.

I suppose I will just type my impressions of my first SAYF meeting. Although I was a bit nervous coming in, everyone was really welcoming, and I had a really great time.
