

**SAYF WORSHIP JOURNAL**

March 13, 2021

*As a result of pandemic safety restrictions, all SAYF retreats and events are now being held via internet web conferencing until further notice. This retreat happened on Zoom. This is our witness. This is our story.*

***It was very fun  
tonight. ~ Mateo***

*I love my sayf Friends- it's so sad I don't get to hang out with ya'll as a sayfer for much longer. THANK YOU ALL SO MUCH FOR ALL THE LAUGHS. You guys have made me so happy in all of my stressful world!!!! Even though I cannot see you in person I feel really connected all the same.

Stay awesome always, or at least until I

**This really was the perfect quarantine anniversary retreat. Thanks for being a super cool group of Nevins to talk to this year :) I'm even more sad than I usually am that I can't give you all hugs.**

**This was my first retreat. I had so much fun and I felt included even though I didn't know many people at first! I will definitely be back! Thank You!  
~ Genevieve(Evie) Maclin**

I was really moved tonight by the opening worship. It was unexpected the depth of emotion around this date. For many Young Friends this date one year ago was the Friday that schools closed and that was huge in hindsight. I had so much fun tonight having conversation with Friends and also with the nevin game as usual. I appreciate the new "rules" to the game thanks to FAN Chris! And great leadership by the YF who were planners this time. I also really enjoyed getting to know Robbie and Evie (new to me) YF. You all are amazing.  
~ Jennifer Dickie

**Scariest Halloween I've ever experienced. If you didn't come, you're probably lucky because it was as spooky as it gets.**

**Seriously though, this was probably one of my favorite online SAYFs so far, they keep on getting better and better! When I die and start ghost-ing in my library, or rather the G.H.O.S.T. (ghost house of though stuff), I'll definitely look forward to chillin w/ you guys for eternity.**

**This was my first one on my phone and I was unable to edit the jam board, but this means I get to have the same surprise as everyone else. I enjoyed getting to talk with people again, and now have to be a ghost and see if I can be co founder of the ghostly library. I also see the day when we do a f2f retreat and play the nevin game. But it's time for me to sleep and I must go. Until I see you again remember that you are the best person you can be.**
