Sleeping Arrangements: There will be a co-ed sleeping area and dorm rooms. FANs (Friendly Adult Nurturers) are assigned to all sleeping areas: a FAN or Night Shepherd is awake and available for assistance throughout the night. Young Friends (YFs) are required to be in their own sleeping bag/bedroll, and SAYF Guidelines apply at night as they do in the daytime. Immediate separation will occur and a community care committee may result from violating the guidelines. We encourage parents to discuss with their child any sleeping requirements or concerns they have. If you have specific instructions about the sleeping arrangements for your YF, please discuss it with them and inform the Lead FAN. Unless we are notified, YFs are allowed to choose their sleeping area based on their own personal comfort levels and leadings.

Community Guidelines: Throughout the weekend, the adults of the SAYF community try to balance our awareness of the activities of the Young Friends with the importance to Young Friends of being trusted by the adults. Our goal is to teach accountability through guidelines, behavioral expectations, and community eldering. Therefore, it is ultimately up to the individual teen to act responsibly and to desire to be a positive element in the community. If you feel that your child is not able and willing to uphold our community rules and expectations, he or she should not attend retreats.

****If a teen must leave the campus grounds for any reason, their Sponsor must notify the Lead-FAN****
